[BOOT CAMPS.](#)

There really are great career paths out there waiting for you. Whether you've got clear goals or are weighing your options, don't miss this brilliant chance to find out what the insurance sector could offer you. Because in this industry the sky really is the limit!

To learn more, you should definitely sign up.

You'll be amazed at the wide range of fantastic jobs just waiting for your talent and skills. And we'll be lining up employers keen to hire, train and develop recruits like you - opening up opportunities far beyond your wildest expectations!

BOOTCAMP

OVER THE TWO DAYS,
WE'LL:

- 01** Introduction to Insurance
Provide you with the key facts, tips and insights to the insurance sector you need to impress prospective employers.
- 02** Interview Skills
Help you hone your interview skills and CV writing techniques so you will win the best opportunities.
- 03** Personal Brand Development
Work with you on developing your personal brand, enhancing your value as a potential employee/colleague.

We'll then help you target prospective employers close to your preferred location. And once you're shortlisted, our experienced and friendly coaches will give you guidance on your crucial interview preparation.

Launching from August 2022, camps are being run in 5 to 6 locations around the UK, so you're bound to find one that's convenient for you. Camps will be held twice in each location, following GCSE and A-levels results days.

Applying is quick and easy. Simply complete and submit the contact form.
